To Whom It May Concern:

I am pleased to recommend Linda Gant for a teaching position.

Linda opened the school year in a 6th grade class at Marshall Academy of the Arts. She worked with another teacher for consistency in ELA and Math Content areas. She laid a foundation through ELA Thinking Maps and Math Review for out of district students to be in sync with Long Beach Unified School District.

Linda has 21 years of teaching experience, a Masters Degree in Education and BCLAD in Spanish.

We were happy to have Linda on staff, even for a short time, and I am sure she will be an asset to any school.
